Notice to Contractor:

By signing this application, I am attesting that I understand and will ensure that no water accumulation of water shall be allowed on premises or adjoining properties. Provisions shall be made to control water runoff and erosion during demolition activities. Any excavation shall cause that written notice to the owners of the adjoining buildings be provided that advises them that the excavation is to be made and that the adjoining buildings should be protected. Said notification shall be delivered not less than 10 days prior to the scheduled starting date of excavation. It will be unlawful for any person or firm, partnership, association or corporation that engages in business, trade or practice of work of Electrical, HVAC, Manufactured Homes, Plumbing or Public Works in the State of Idaho unless such person or firm, co partnership, association or corporation, has successfully passed an examination and has been issued a Certificate of Competency as required by the State of Idaho, Title 54. Garden City Building Division requires that each applicant provides proof of such applicable certification, or a permit will not be issued. An apprentice shall not perform under the required supervision. Any person that is licensed as an apprentice will not be allowed to obtain a permit within the City of Garden City. All contractors shall have their card on them at all times. Garden City inspectors may require cards to be produced at the time of inspections. For those who do not produce their card at the time of inspection shall be considered to be conducting work without a permit.
