#### **IV. NEW BUSINESS**

- A. Walking Path Parallel to Greenbelt Proposal: parcels S0523323610; S0523334800; S0523244780; S0523449305: references [Master Parks Plan](#); [Transportation Needs List 2021](#)- Jeanne Barker
  - I. Introduced proposal to add additional walking paths into the greenbelt system
  - II. Root barrier would be needed for walking paths to reduce tripping hazards
  - III. Potential suitable locations may include the parcels identified by Ms. Barker (around ponds south of river in wester area of impact, behind the Lakeland subdivisions; at the pond at River Point park; by 41<sup>st</sup> Street). Potential locations should also include areas where there is heavy greenbelt use. These areas will need to be further identified.
  - IV. Other options to a separated path may include:
    - 1. Alternative commuter routes
    - 2. Widening the greenbelt in areas that can accommodate it to allow for two way bicycling and a walk path. The 34<sup>th</sup> Street greenbelt was identified as one potential location.
    - 3. Traffic calming measures and speed limits on the greenbelt
  - V. FACTS may be a potential partner
- B. ACHD Master Street Plan Review; references [Master Street Plan](#) and [Livable Street Design Guide](#)

I. Reviewed staff suggestions and provided additional input
