6015 N. Glenwood St.

Dear Building & Permitting Services/Process,

The request for any development at 8695 W. Marigold St. by Zach Turner, Rennison Companies will greatly destroy our peaceful & serene neighborhood. We went through this again last year! In addition adding 400-800 more cars on Marigold & surrounding streets is absolutely ridiculous. The famed Greenbelt is already getting dangerous with motorized scooters, & battery operated bicycles too.

Why doe's the Bible College have to disengage from the neighborhood by selling out the property that was gifted to them years ago by the city.

Also why haven't the letters some of my neighbors received haven't gone out to all concerned?

Sincerely yours,

Gary Barker
