**To Whom It May Concern:**

**As President of the Aspen Lofts HOA Board, I watch with enthusiasm as the Boardwalk Residence Tower project comes to fruition. Michael Talbott is the Chairman of our Architectural Committee at the Aspen Lofts - so, I have experienced firsthand his Construction knowledge, his desire to improve his community and his ability to surround himself with quality people. People, who share his enthusiasm and desire to take something and make it grow.**

**I firmly believe this project will become a shining star not only for Garden City but for the Boise area as well.**

**My husband and I own several properties at the Aspen Lofts but look forward to a possible investment in this new Vida Properties development. It's an exciting time for Garden City and I believe a partnership with Vida Properties will help give Garden City the recognition it deserves.**

**Best Regards,**
