Site Specific Requirements for the Duration of the Use:

1. Compliance with Garden City Code 8-2C-36 Service Provider shall be maintained for the duration of the use.

General Requirements

1. Any changes in the design, construction, operation, or use shall be brought to the immediate attention of the Planning Official for determination if the changes are in substantial conformance with the City's action. Any changes to the plans and specifications upon which this approval is based, other than those required by the above conditions, will require submittal of an application for modification and approval of that application prior to commencing any change.
2. This Conditional Use Permit shall not be transferable from one parcel of land to another. Unless otherwise stated in the conditions attached to a permit, the permit shall be granted to the applicant and successors in interest to the premises for which it was approved.
3. This approval is only approval of the conditional use permit. All other applicable permits must be obtained and completed prior to a certificate of compliance or occupancy.
4. The approval is specific to the application provided and reviewed. Final approval is based on substantial conformance. Any changes to the plans and specifications upon which this approval is based, other than those required by the above conditions, will require submittal of an application for modification and approval of that application prior to commencing any change.
5. Final approval is subject to the approval of other reviewing agencies and City Departments. Any more restrictive standards adopted and made applicable by any Transportation Authority, Fire Authority or other Federal, State or Local regulatory agencies shall prevail.
6. All improvements and operations shall comply with applicable local, state and federal requirements and procedures whether specifically addressed in the

- analysis of this application or not. This shall include but not be limited to 8-4A General Provisions of Design and Development Regulations.
7. The property owner is responsible to maintain the site to edge of roadway asphalt.
 8. If there are any tree grates, they shall be widened to accommodate the growing tree trunk and prevent girdling of any trees planted in tree wells within sidewalks or other public right of way.
 9. Plant materials which exhibit evidence of insect pests, disease, and/or damage shall be appropriately treated to correct the problem. Dead and diseased plant materials shall be replaced.
 10. Where landscaping might impact motorist or pedestrian sight distance, shrubs shall be maintained below three feet (3') in height and trees shall be pruned so that the lowest branches will be at least seven feet (7') above the ground level.
 11. A three foot (3') clearance zone shall be maintained around the circumference of fire hydrants.
 12. Retain and protect existing trees, vegetation, and native soils and integrate these features into the overall landscape plan as required by or exempted from Garden City Code 8-4I and as shown in the approved landscape plans.
 13. If trees are staked, the stakes shall be removed within twelve (12) months to prevent damage to the tree.
 14. All planting areas that border driveways, parking lots, and other vehicle use areas shall be protected by curbing, wheel stops, or other approved protective devices.
 15. Trees shall be planted at least three feet (3') from curbs, sidewalks, driveways and other hard surfaces to buffer from stress caused by vehicle overhang and compacted soils, or planted with sufficient space to provide for the full maturity of the particular tree species. All other plant material, except sod or ground cover, shall be set back a minimum of one foot (1') from any curb edge to protect from vehicle overhang and mechanical damage.
 16. The landscape installation shall stabilize all soil and slopes.
 17. All required landscaping shall be provided with an automatically controlled irrigation system in conformance with the best management practices for automatic irrigation systems.
 18. Demonstrate compliance with or an exemption from Garden City Code 8-4G prior to certificate of occupancies.
 19. This approval is for this application only. Additional permits, licenses and approvals may be necessary.
 20. Property maintenance standards shall be maintained as required by Garden City Code.
 21. The property owner is responsible for the maintenance of all landscaping and screening devices required.
 22. All outdoor living spaces must comply with Garden City Cod 8-3C General Provisions- Living Space Requirements.
 23. All outdoor service and equipment areas shall comply with Garden City Cod 8-4A-5 Outdoor Service and Equipment Areas.
 24. Cross-Connections: All cross-connections between the domestic water lines and the irrigation water lines shall be in accord with the City's adopted standards, specifications and ordinances.

25. Materials submitted after the decision shall not be considered part of the record for this decision. If additional materials or information is submitted after the decision the application may be remanded to the decision-making body during which time the decision shall be stayed provided that there is no immediate threat to life or safety.
26. No change in terms and conditions of this approval shall be valid unless in writing and signed by the applicant or his or her authorized representative and an authorized representative of the reviewing agency. The burden shall be upon the applicant to obtain the written confirmation of any change and not upon Garden City.
27. The Commission may revoke a conditional use permit for any of the following: A) Violation of Garden City Code or State or Federal Laws; B) Failure to abide by any conditions of this permit; C) Causing or allowing a nuisance as determined by Garden City Code, in connection with the use for which the permit is granted.
28. Any violation of the conditions of this application is a criminal offence.
29. A certificate of occupancy or an application for a building permit shall be considered commencement of the use.
30. All previous uses are null and void unless otherwise conditioned.
31. Should there be a change in use, there is a clear intent to cease the use, or the use is discontinued for more than one year without written documentation submitted to the City, legal noticing, and property posting indicating intent to continue the use, this approval shall become void.
32. There is a 15 day right to appeal to City Council. An appeal shall be made on the form provided by the City and filed with the City Clerk within 15 days after the action of the decision.
33. This approval shall expire 365 days from its approval, unless otherwise extended as allowed by Garden City Code .
34. Final decisions are subject to judicial review pursuant to The Local Land Use Planning Act, Chapter 65 Title 67 Idaho Code.
35. Pursuant to Idaho Code, a request for reconsideration must be submitted within 14 days of the final decision and prior to judicial review. The written request must identify specific deficiencies in the decision for which reconsideration is sought.
36. A takings analysis pursuant to Idaho Code may be requested on final decisions.
37. If any term or provision of this decision, to any extent, is held invalid or unenforceable, the remaining terms and provisions hereof shall not be affected thereby, but each such remaining term and provision shall be valid and enforced to the fullest extent permitted by law.
