CONCLUSIONS OF LAW

The Planning and Zoning Commission reviewed the application with regard to Garden City Code Title 8, and based on the conditions required herein, concludes the application **meets/does not meet** the standards of approval under **GCC 8-6B-2 Conditional Use**.

DECISION

WHEREFORE, based upon the foregoing Findings of Fact and Conclusions of Law contained herein, the Planning and Zoning Commission hereby **APPROVES/ DENIES** of the application subject to the following conditions:

POTENTIAL CONDITIONS FOR APPROVAL DECISION

Application Specific Requirements:

Scope of Permit:

- The scope of this permit is to allow for the use of Vehicle Services defined as “The use of a site for the repair, rebuilding or reconditioning of motor vehicles or parts thereof, including collision service painting, repairing or straightening the

body and/or chassis of vehicles or steam cleaning of vehicles.”

2. The scope of this permit is to allow for the use of Service Provider defined as “The use of a site for an employee or employees of a company or person that provides materials or labor to perform a service or job not located on site. This may include, but is not limited to, building or trades contractor, damage restoration services or cleaning services. This is not the same as a "storage yard" as herein defined nor does this definition include construction or manufacturing on site.”

Prior to Occupancy:

1. Occupancy of the site shall not commence until after a Certificate of Occupancy has been obtained from Garden City Development Services Department.
2. A building permit shall be applied for and approved by Garden City Development Services Department.
3. The site and building must be constructed in accordance with the approved design review file DSRFY2022-0001.
 - a. The associated design review application shall resolve code compliance issues regarding Garden City Code 8-4I Landscaping and Tree Protection Provisions, 8-4E Transportation and Connectivity Provisions, 8-4D Parking and Off-Street Loading Provisions.
4. A public works and utility permit shall be submitted for review and approval of the site work that will be required to bring the site into compliance with:
 - a. Landscaping and street trees shall be installed and inspected for compliance with Garden City Code 8-4I.

Site Specific Requirements for the Duration of the Use:

1. Conditions specific to the use “Service Provider”:
 - a. The use “Service Provider” is limited to only the offsite repair, maintenance and replacement of automotive, residential and commercial glass and accessories. No other activities are authorized under this permit.
 - b. No structure, facility, drive lane, parking area, or loading area shall be located adjacent to a residential district.
 - c. Parking and Access:
 - i. The entrance and exit drives shall be designed to prevent traffic hazards and nuisances.
 - ii. All surfaces used for parking shall be constructed with paving, vegetative cover or of dustless material.
 - d. The site shall not be used as vehicle wrecking as herein defined.
 - e. Site Maintenance:
 - i. All outdoor storage of materials or vehicles shall be maintained in an orderly manner so as not to create a public nuisance.
 - ii. Stored items shall not block sidewalks or parking areas and may not impede vehicular or pedestrian traffic.

- f. Outdoor storage areas shall comply with Section 8-1C-3 Property Maintenance Standards of this Title.
2. Conditions specific to the use "Vehicle Services":
 - a. The use "Vehicle Services" is limited to only to automobile windshield and automobile glass repair, maintenance and replacement, window tinting, and headlight restoration. No other activities are authorized under this permit.
 - b. Vehicles in excess of one and one-half (1-1/2) ton capacity and industrial equipment of any type or character are authorized to be serviced under this permit.
 - c. All parts, inventory and vehicles waiting to be repaired shall be kept inside an entirely enclosed building or hidden behind a privacy fence or other visual barrier as set forth in section 8-2C-37, Storage Facility Or Yard, of this article.
 - d. All new structures constructed for vehicle/equipment repair shall be constructed so that the entrances to individual workstation/service bays do not face abutting residential parcels or the public rights-of-way.
 - e. All vehicle/equipment repair uses and related activities shall be limited to between the hours of seven o'clock (7:00) A.M. and seven o'clock (7:00) P.M., Monday through Saturday.
 - f. Damaged or wrecked vehicles shall not be stored on site for purposes other than repair.
 - g. All vehicles that are repaired and are waiting to be picked up by the owner of the vehicle shall be parked on site and not in adjoining streets or alleys.
 - h. All discarded vehicle parts or equipment, permanently disabled, dismantled, or junked vehicles, or tires shall be removed from the premises within thirty (30) days of arrival.

General Requirements

1. Any changes in the design, construction, operation, or use shall be brought to the immediate attention of the Planning Official for determination if the changes are in substantial conformance with the City's action. Any changes to the plans and specifications upon which this approval is based, other than those required by the above conditions, will require submittal of an application for modification and approval of that application prior to commencing any change.
2. This Conditional Use Permit shall not be transferable from one parcel of land to another. Unless otherwise stated in the conditions attached to a permit, the permit shall be granted to the applicant and successors in interest to the premises for which it was approved.
3. This approval is only approval of the conditional use permit. All other applicable permits must be obtained and completed prior to a certificate of compliance or occupancy.
4. The approval is specific to the application provided and reviewed. Final approval is based on substantial conformance. Any changes to the plans and specifications upon which this approval is based, other than those required by the above conditions, will require submittal of an application for modification and approval of that application prior to commencing any change.

5. Final approval is subject to the approval of other reviewing agencies and City Departments. Any more restrictive standards adopted and made applicable by any Transportation Authority, Fire Authority or other Federal, State or Local regulatory agencies shall prevail.
6. All improvements and operations shall comply with applicable local, state and federal requirements and procedures whether specifically addressed in the analysis of this application or not. This shall include but not be limited to 8-4A General Provisions of Design and Development Regulations.
7. The property owner is responsible to maintain the site to edge of roadway asphalt.
8. If there are any tree grates, they shall be widened to accommodate the growing tree trunk and prevent girdling of any trees planted in tree wells within sidewalks or other public right of way.
9. Plant materials which exhibit evidence of insect pests, disease, and/or damage shall be appropriately treated to correct the problem. Dead and diseased plant materials shall be replaced.
10. Where landscaping might impact motorist or pedestrian sight distance, shrubs shall be maintained below three feet (3') in height and trees shall be pruned so that the lowest branches will be at least seven feet (7') above the ground level.
11. A three foot (3') clearance zone shall be maintained around the circumference of fire hydrants.
12. Retain and protect existing trees, vegetation, and native soils and integrate these features into the overall landscape plan as required by or exempted from Garden City Code 8-4I and as shown in the approved landscape plans.
13. If trees are staked, the stakes shall be removed within twelve (12) months to prevent damage to the tree.
14. All planting areas that border driveways, parking lots, and other vehicle use areas shall be protected by curbing, wheel stops, or other approved protective devices.
15. Trees shall be planted at least three feet (3') from curbs, sidewalks, driveways and other hard surfaces to buffer from stress caused by vehicle overhang and compacted soils, or planted with sufficient space to provide for the full maturity of the particular tree species. All other plant material, except sod or ground cover, shall be set back a minimum of one foot (1') from any curb edge to protect from vehicle overhang and mechanical damage.
16. The landscape installation shall stabilize all soil and slopes.
17. All required landscaping shall be provided with an automatically controlled irrigation system in conformance with the best management practices for automatic irrigation systems.
18. Demonstrate compliance with or an exemption from Garden City Code 8-4G prior to certificate of occupancies.
19. This approval is for this application only. Additional permits, licenses and approvals may be necessary.
20. Property maintenance standards shall be maintained as required by Garden City Code.
21. The property owner is responsible for the maintenance of all landscaping and screening devices required.

22. All outdoor living spaces must comply with Garden City Cod 8-3C General Provisions- Living Space Requirements.
23. All outdoor service and equipment areas shall comply with Garden City Cod 8-4A-5 Outdoor Service and Equipment Areas.
24. All stormwater systems must comply with Garden City Code 8-4A-7.
25. Cross-Connections: All cross-connections between the domestic water lines and the irrigation water lines shall be in accord with the City's adopted standards, specifications and ordinances.
26. Materials submitted after the decision shall not be considered part of the record for this decision. If additional materials or information is submitted after the decision the application may be remanded to the decision-making body during which time the decision shall be stayed provided that there is no immediate threat to life or safety.
27. No change in terms and conditions of this approval shall be valid unless in writing and signed by the applicant or his or her authorized representative and an authorized representative of the reviewing agency. The burden shall be upon the applicant to obtain the written confirmation of any change and not upon Garden City.
28. The Commission may revoke a conditional use permit for any of the following: A) Violation of Garden City Code or State or Federal Laws; B) Failure to abide by any conditions of this permit; C) Causing or allowing a nuisance as determined by Garden City Code, in connection with the use for which the permit is granted.
29. Any violation of the conditions of this application is a criminal offence.
30. A certificate of occupancy or an application for a building permit shall be considered commencement of the use.
31. All previous uses are null and void unless otherwise conditioned.
32. Should there be a change in use, there is a clear intent to cease the use, or the use is discontinued for more than one year without written documentation submitted to the City, legal noticing, and property posting indicating intent to continue the use, this approval shall become void.
33. There is a 15 day right to appeal to City Council. An appeal shall be made on the form provided by the City and filed with the City Clerk within 15 days after the action of the decision.
34. This approval shall expire 365 days from its approval, unless otherwise extended as allowed by Garden City Code .
35. Final decisions are subject to judicial review pursuant to The Local Land Use Planning Act, Chapter 65 Title 67 Idaho Code.
36. Pursuant to Idaho Code, a request for reconsideration must be submitted within 14 days of the final decision and prior to judicial review. The written request must identify specific deficiencies in the decision for which reconsideration is sought.
37. A takings analysis pursuant to Idaho Code may be requested on final decisions.
38. If any term or provision of this decision, to any extent, is held invalid or unenforceable, the remaining terms and provisions hereof shall not be affected thereby, but each such remaining term and provision shall be valid and enforced to the fullest extent permitted by law.

STANDARD CONDITIONS FOR DENIAL DECISION

1. There is a 15 day right to appeal to City Council. An appeal shall be made on the form provided by the City and filed with the City Clerk within ten (10) days after the action of the decision.
2. Final decisions are subject to judicial review pursuant to The Local Land Use Planning Act, Chapter 65 Title 67 Idaho Code.
3. Any applicant or affected person seeking judicial review of compliance with the provisions of this section must first seek reconsideration of the final decision within fourteen (14) days. Such written request must identify specific deficiencies in the decision for which reconsideration is sought. Upon reconsideration, the decision may be affirmed, reversed or modified after compliance with applicable procedural standards. A written decision shall be provided to the applicant or affected person within sixty (60) days of receipt of the request for reconsideration or the request is deemed denied. A decision shall not be deemed final for purposes of judicial review unless the process required in this subsection has been followed. The twenty-eight (28) day time frame for seeking judicial review is tolled until the date of the written decision regarding reconsideration or the expiration of the sixty (60) day reconsideration period, whichever occurs first.
4. Pursuant to The Local Land Use Planning Act, Chapter 65 Title 67 Idaho Code, a takings analysis may be requested on final decisions.
5. If any term or provision of this decision, to any extent, is held invalid or unenforceable, the remaining terms and provisions hereof shall not be affected thereby, but each such remaining term and provision shall be valid and enforced to the fullest extent permitted by law.
