Re: CUPFY2022-0012  
8529 W State St

This is a conditional use permit request to use this property for an equipment rental company in the C-2 General Zoning District.

The Boise Fire Department has reviewed this application and currently has no comment.

*General Requirement:*

Specific building construction requirements of the International Building Code, International Fire Code and NACFR Rules will apply. However, these provisions are best addressed by a licensed Architect at time of building permit application.
