Chris:

In regards to the design review meeting scheduled for Monday March 16th, I, Darren Blaser/Cascade Builders, will be there to represent and address Viewpoint Windows changes. The changes addressed will be about the two sides of the new building and the trees and shrubs along the back fence line. Also we will be addressing the back door and the concrete stained stamped pathway to ACHD sidewalk permit #GAR2017-0040 at 6715 W. State St. for Viewpoint Windows.

I have attached some pictures for you to review for the meeting.
