## **B. Design Review**

DESIGN STANDARDS FOR REVIEW	
City Code	City Standards/Staff Comments

STAFF REPORT: DSRFY2019 – 21 – Application materials can be found here: [Link](#)

<b><u>GCC 8-4C Design Provisions for Non-Residential Structures</u></b>	Storefront Renovations: Any storefront renovations, where more than twenty five percent (25%) of the facade of the store is altered, replaced, rehabilitated or restored, shall comply with subsections 8-4C-3A4, 8-4C-3C, E, and F, and section 8-4C-5 of this article.
<b>GCC 8-4C-3(A)4</b>	<p>First Floor Facades: First floor facades visible from a public street should include surfaces in windows, showcases, displays, or pedestrian access elements as follows: for retail uses at least fifty percent (50%), for all other uses at least fifteen percent (15%).</p> <p>Pre-Application Staff Report Comment: This requirement is based on use. The pre-application materials do not list a specific use.</p> <p>9/3/2019 Design Committee Comment: Provide glazing calculations.</p> <p>Staff Report Comment: No uses were specified. Glazing calculations were not provided.</p>
<b>GCC 8-4C-3(C)</b>	<p>Objective 3: Buildings shall be designed and constructed of quality materials.</p> <p>Pre-Application Staff Report Comment: A materials list has not been provided.</p> <p>Staff Report Comment: The following materials are proposed:</p> <ul style="list-style-type: none"> <li>• Metal Eyebrow Awning – Black</li> <li>• Metal Panel – Dark Gray Color</li> <li>• Storefront Door System – Dark Bronze</li> <li>• Existing CMU to Match – Sherwin Williams SW7004 “Snowbound”</li> <li>• Metal Panel – Gray Color</li> </ul>
<b>GCC 8-4C-3(E)</b>	<p>Objective 5: The design of all buildings shall provide visual interest, support the vision for the area as articulated in the comprehensive plan and positively contribute to the overall urban fabric of the community.</p> <p>Pre-Application Staff Report Comment: The proposed design proposed a mix of window treatments, varying façade changes, and roofline changes to meet this objective.</p>

	<p>9/3/2019 Design Committee Comment: Provide rendered elevations.</p> <p>Staff Report Comment: Rendered elevation provided. Pre-application staff report comment stands.</p>
<b>GCC 8-4C-3(F)</b>	<p>Objective 6: The site development should support and be consistent with the adopted streetscape.</p> <p>Pre-Application Staff Report Comment: Existing sidewalks are installed along W. Chinden Blvd. Storefront renovations do not specifically trigger site, landscaping, and sidewalk improvements.</p> <p>9/3/2019 Design Committee Comment: Provide site plan.</p> <p>Staff Report Comment: Site and landscaping plans provided. Pre-application staff report comment stands.</p>
<b>GCC 8-4C-5 Prohibitions</b>	All new businesses, corporate and franchise designs will be reviewed on a case-by-case basis by the Design Review Committee to assure compliance with Garden City Code, Comprehensive Plan and Goals.
<b><u>GCC 8-6B-3 Design Review</u></b>	
<b>GCC 8-6B-3D Required Findings</b>	Design Review approval may be granted by the Committee only if the applicant meets the required findings of this section. The findings are analyzed below.
<b>Finding 1</b>	<p>Finding: The project conforms to all applicable standards and criteria as set forth in Title 8, Chapter 4.</p> <p>Analysis: As noted in this report, additional information is needed to determine compliance with 8-4C. The window glazing percentage was not provided.</p>
<b>Finding 2A</b>	<p>Finding: The proposed design is in accordance with the purpose of the zoning district and all dimensional regulations of that district;</p> <p>Analysis: Not applicable. The storefront renovation does not affect the purpose of the C-1 Highway</p>

	Commercial Zoning District and does not affect the dimensional regulations of the district.
<b>Finding 2B</b>	Finding: The proposed design adheres to standards for the protection of health, safety, and general welfare;
	Analysis: The health, safety and general welfare would be enforced through the building and/or occupancy permit processes.
<b>Finding 2C</b>	Finding: The proposed design creates a sense of place and contributes to the uniqueness of the different districts and neighborhoods in the city;
	Analysis: As noted in this report, additional information is needed to determine compliance with this section. The window glazing percentage was not provided.
<b>Finding 2D</b>	Finding: The proposed design improves the accessibility of development to non-motorized and public modes of transportation;
	Analysis: Not applicable. A storefront renovation does not trigger connectivity requirements.
<b>Finding 2E</b>	Finding: The proposed design supports a development pattern in nodes rather than strip commercial along arterial corridors;
	Analysis: Not applicable. A storefront renovation does not change the development pattern. The building footprint is not changing.
<b>Finding 2F</b>	Finding: The proposed design supports a compact development pattern that enables intensification of development and changes over time; and
	Analysis: Not applicable. A storefront renovation does not change the development pattern. The building footprint is not changing.
<b>Finding 2H:</b>	Finding: The proposed design provides outdoor spaces and landscaping compatible with the southwest Idaho climatic conditions and that encourage pedestrian activity.
	Analysis: Not applicable. A storefront renovation does not trigger landscaping improvements pursuant to 8-4I.

## **C. Agency and Public Comments**

**Agency Comments:** The following agency comments were provided:

<b>Agency</b>	<b>Comment Summary</b>
Garden City Engineer	Scope of project does not warrant comment.
ITD	Access permit required. Landscaping must meet ITD requirements. Any sidewalk improvements must meet ITD requirements.

**Public Comments:** None received.

## **D. Policy and Study Analysis**

<b>Policy/Study</b>	<b>Staff Comments</b>
<b><u>Garden City Sidewalk Policy</u></b>	The Sidewalk Policy was reviewed in association with this application. The Policy does not require a new sidewalk as an existing sidewalk is installed along W. Chinden Blvd.
<b><u>Garden City Street Light Policy</u></b>	The Streetlight Policy requires a streetlight installed every 400'. A streetlight is installed within 400' of the property. No additional streetlights are required.

## **E. Decision Options**

The Design Committee may take one of the following actions:

1. Approve the application as presented;
2. Approve the application with conditions;
3. Request the applicant return with revised materials for additional review;
4. Deny the application.
