STAFF REPORT: DSRFY2019-8

**City of Garden City
Design Review Staff Report**

Background: Tyler Frazier with The FCI Group is requesting Design Review approval of a pre-application request for an urgent/primary care facility to be located in an existing building at 6965 N. Glenwood Street. The 0.592 acre site is located within the Highway Commercial (C-1) zoning district.

Proposed Scope of Work:

Application: Design Review Pre-Application Meeting

Proposed development: Storefront Renovation

Proposed uses: Healthcare and Social Service

Scope of Work:

1. The applicant is proposing façade renovations to an existing structure.
2. Building footprint, building height, landscaping, and parking changes are not proposed.
3. The building has been previously used for a drive-through establishment and a retail store.

Previously Approved Design and Use Applications

1. Design Review:
 - a. 02-01-DR
 - b. 02-28-DR
 - c. DSR2013-00013
2. Conditional Use Permit:
 - a. 02-01-CU
 - b. 02-30-CU

Application Process:

1. The proposed project requires the following public hearing review processes:
 - a. Design Review Pre-Application Meeting
 - b. Design Review Formal Hearing or Staff Administrative Decision

Attachments:

1. Sheet A201 Exterior Elevation
2. Floor Plan
3. DSR2013 – 13 – Approved Elevations, Site, and Landscaping Plans
4. Application Materials

Purpose: The design review process is intended to involve the city at the earliest possible time in the development and design of a project and to work with the applicant in an iterative

STAFF REPORT: DSRFY2019-8

process of review and design. The review process is intended to be flexible and tailored to the needs of the project and the applicant.

Analysis: Staff has conducted a preliminary analysis on behalf of the Design Review Committee. Because the Committee ultimately interprets Development Code and determines whether a proposal is compliant, the following comments by staff are intended solely to assist the Committee in reviewing the application. Staff's interpretation of Development Code and whether an application is compliant is *not* binding on the Committee.

STANDARDS FOR REVIEW	
City Code	City Standards/Staff Comments
<u>GCC 8-4C Design Provisions for Non-Residential Structures</u>	
GCC 8-4C-2 Applicability	Storefront Renovations: Any storefront renovations, where more than twenty five percent (25%) of the facade of the store is altered, replaced, rehabilitated or restored, shall comply with subsections 8-4C-3A4, 8-4C-3C, E, and F, and section 8-4C-5 of this article.
GCC 8-4C-3A4	<p>4. First Floor Facades: First floor facades visible from a public street should include surfaces in windows, showcases, displays, or pedestrian access elements as follows: for retail uses at least fifty percent (50%), for all other uses at least fifteen percent (15%).</p> <p><u>Review of this section cannot be completed. Additional information is required:</u></p> <p><i>GCC 8-4C-3A-4 Entire section</i></p> <p>The applicant has proposed to reduce glazing on the north and south elevations. The applicant has not provided calculations demonstrating at least 15% of the building has windows, showcases, displays or pedestrian access elements.</p>
GCC 8-4C-3(C)	<p>Objective 3: Buildings shall be designed and constructed of quality materials.</p> <p><u>Review of this section cannot be completed. Additional information is required:</u></p>

	<p><i>GCC 8-4C-3C Entire section</i></p> <p>The applicant has not provided a materials list.</p>
GCC 8-4C-3(E)	<p>Objective 5: The design of all buildings shall provide visual interest, support the vision for the area as articulated in the comprehensive plan and positively contribute to the overall urban fabric of the community.</p> <p>The applicant has retained many of the design elements approved in DSR2013-13. Most of the existing windows on the north and south elevations are being filled in with a wooden material that may provide visual interest.</p>
GCC 8-4C-3(F)	<p>Objective 6: The site development should support and be consistent with the adopted streetscape.</p> <p>The property has landscaping and pedestrian improvements installed that were approved with DSR2013-13.</p>
GCC 8-4C-5 Prohibitions	All new businesses, corporate and franchise designs will be reviewed on a case-by-case basis by the Design Review Committee to assure compliance with Garden City Code, Comprehensive Plan and Goals.
<u>GCC 8-4D Parking and Off Street Loading Provisions</u>	Storefront renovations do not trigger changes to a parking lot. However, GCC 8-4D-5 (Required Number of Off-Street Parking Spaces) requires the Planning Official to make a parking determination. This is usually handled administratively.
<u>GCC 8-4E Transportation and Connectivity Provisions</u>	Sidewalks and connectivity were determined to be compliant through DSR2013-13. The applicable provisions of this section have not changed since the previous application.
<u>GCC 8-4I Landscaping and Tree Protection Provisions</u>	Landscaping was determined to be compliant through DSR2013-13. The applicable provisions of this section have not changed since the previous application.

Pre-Application Meeting Actions

The Committee may take one of the following actions:

1. Determine the application is ready for an administrative decision;
2. Determine the application is ready for a Design Committee hearing;
3. Request the applicant return for an additional pre-application meeting;
