CONCLUSIONS OF LAW

The Design Review Committee reviewed the application with regard to Garden City Code, Title 8, Chapter 4, and based on the conditions required herein, concludes the application meets the standards of approval under GCC 8-4C and the required findings under 8-6B-3D.

DECISION

WHEREFORE, based upon the foregoing Findings of Fact and Conclusions of Law contained herein, the Design Review Committee hereby **APPROVES** the application, subject to the following conditions:

Site Specific Requirements:

1. Materials submitted shall comply with those that were approved. The approved documents include:

- a. Compliance Statement, Site Plan, Landscape Plan, Schematic Drawings (Building Elevations), and Lighting Plan submitted on May 16, 2019 and June 17, 2019, reviewed on June 17, 2019 and subsequently approved.
2. Signage depicted in the application materials is not approved through this design review.
3. A window shall be added to the break room to meet the 15% glazing requirement.

General Requirements:

1. This review and approval is specific to the design of the project. Final approval is subject to the approval of other reviewing agencies. Any more restrictive standards adopted and made applicable by any Transportation Authority, Fire Authority or other Federal, State or Local regulatory agencies shall prevail. This approval shall not annul any portion of Garden City Code or other applicable regulation unless specifically noted.
2. Any changes to the plans and specifications upon which this approval is based, other than those required by the above conditions, will require submittal of an application for modification and approval of that application prior to commencing any change.
3. All improvements and operations shall comply with applicable local, state and federal requirements and procedures whether specifically addressed in the analysis of this application or not. This shall include but not be limited to 8-4A General Provisions of Design and Development Regulations; 8-4I-3 and Landscape Maintenance Provisions 8-4I-9; and Standards for Transportation and Connectivity Provisions identified in 8-4E.
4. All utilities on the site, including telephone, cable television, and electrical systems shall be underground and in compliance with Garden City Code 8-4A-8.
5. Driveway openings in curbs shall comply with the requirements of the Transportation Authority. The driveway shall be straight or provide a 28-foot inside and 48-foot outside turning radius.
6. Plant materials which exhibit evidence of insect pests, disease, and/or damage shall be appropriately treated to correct the problem. Dead plant materials shall be replaced.
7. Where landscaping might impact motorist or pedestrian sight distance, shrubs shall be maintained below three feet (3') in height and trees shall be pruned so that the lowest branches will be at least seven feet (7') above the ground level.
8. A three foot (3') clearance zone shall be maintained around the circumference of fire hydrants.
9. Retain and protect existing trees, vegetation, and native soils and integrate these features into the overall landscape plan.
10. Required landscape areas shall be at least seventy percent (70%) covered with vegetation at maturity, with mulch used under and around the plants. Use of mulch, organic or rock as the only ground cover in required planting areas is prohibited.
11. If trees are staked, the stakes shall be removed within twelve (12) months to prevent damage to the tree.
12. All planting areas that border driveways, parking lots, and other vehicle use areas shall be protected by curbing, wheel stops, or other approved protective devices.

13. Trees shall be planted at least three feet (3') from curbs, sidewalks, driveways and other hard surfaces to buffer from stress caused by vehicle overhang and compacted soils, or planted with sufficient space to provide for the full maturity of the particular tree species.
14. All other plant material, except sod or ground cover, shall be set back a minimum of one foot (1') from any curb edge to protect from vehicle overhang and mechanical damage.
15. The landscape installation shall stabilize all soil and slopes.
16. All required landscaping shall be provided with an automatically controlled irrigation system in conformance with the best management practices for automatic irrigation systems.
17. Demonstrate compliance with 8-4G-1 prior to certificate of occupancies.
18. This approval is for this application only. Additional permits, licenses and approvals may be necessary. All other applicable permits must be obtained prior to a Certificate of Occupancy.
19. Property Maintenance Standards shall be maintained as required by Garden City Code.
20. The property owner is responsible for the maintenance of all landscaping and screening devices required.
21. System Installation Required: Each and every lot within the subdivision shall have underground pressurized irrigation water. The pressurized irrigation system shall be constructed and installed at the same time as the domestic water lines, but shall not necessarily be in the same trenches.
22. Materials submitted after the decision shall not be considered part of the record for this decision. If additional materials or information is submitted after the decision the application may be remanded to the decision making body during which time the decision shall be stayed provided that there is no immediate threat to life or safety.
23. Any changes in the design, construction, operation or use shall be brought to the immediate attention of the Planning Official for determination if the changes are in substantial conformance with the City's action. Any modification to approved plans shall require submittal and approval of these modifications prior to construction. Final approval is based on substantial conformance with the plans reviewed and approved.
24. Any substantial changes to the design shall be reviewed by the Design Review Committee for compliance with Garden City Code 8-4. Any other changes that are not in substantial conformance with the approval shall be remanded to the decision-making body.
25. Occupying the site prior to Certificate of Occupancy is a criminal offense.
26. There is a 10 day right to appeal to City Council. The applicant or any interested parties may appeal the decision or a part of the decision. An appeal shall be made on the form provided by the City and filed with the City Clerk within ten (10) days after the action of the decision.
27. Final decisions are subject to judicial review pursuant to The Idaho Administrative Procedures Act, Chapter 65 Title 67 Idaho Code.

28. Pursuant to Idaho Code, a request for reconsideration must be submitted within 14 days of the final decision and prior to judicial review. The written request must identify specific deficiencies in the decision for which reconsideration is sought.
29. A takings analysis pursuant to Idaho Code may be requested on final decisions.
30. If any term or provision of this decision, to any extent, is held invalid or unenforceable, the remaining terms and provisions hereof shall not be affected thereby, but each such remaining term and provision shall be valid and enforced to the fullest extent permitted by law.
