Re: DSRFY2021-0008 - 108 W 33rd St

This is a request for a Design Review Application for a coffee roasting business with a retail store front.

The North Ada County Fire & Rescue District has reviewed and can approve the application subject to compliance with all the following code requirements and conditions of approval. Any deviation from this plan is subject to Fire Department approval. Please note that unless stated otherwise, this memo represents the requirements of the International Fire Code (IFC) as adopted and amended by NACFR Rules.

Comments:

1. This is for DRH approval, not an approval of a Certificate of Occupancy. A Building Permit Review and inspection will be required to establish a Certificate of Occupancy prior to occupancy.

General Requirement:

Specific building construction requirements of the International Building Code, International Fire Code and NACFR Rules will apply. However, these provisions are best addressed by a licensed Architect at time of building permit application.

Regards,

Romeo P. Gervais
