Re: DSRFY2022-0023 306 E 46th St – Silver Bucket

This is a design review comment request for the construction of 13 units consisting of two 5-plexes, one tri-plex, and two duplexes Silver Bucket development .

The Boise Fire Department has reviewed and can approve the application subject to compliance with no further comment.

General Requirement:

Fire Department required fire hydrants, access, and street identification shall be installed prior to construction or storage of combustible materials on site. Provisions may be made for temporary access and identification measures.

Specific building construction requirements of the International Building Code, International Fire Code and NACFR Rules will apply. However, these provisions are best addressed by a licensed Architect at time of building permit application.
