Good Morning Ms. Thornborrow and Ms. Veal,

I am hereby submitting a letter of support for the prospective 18-story condo tower located at 510 E. 41st Street following the Design Review hearing on August 16, 2021. I firmly believe the proposed project not only represents sound architectural development, but also aims to bring renewed liveliness to the Garden City landscape. Both the economic and social benefits this project entails would be a great asset to the existing residents and potential future residents of Garden City in my opinion. Thank you for your consideration and I hope you have a great start to your week.

Best regards,  
Erika Eckermann
