Good afternoon, Danielle,

Idaho Transportation District (ITD) requires sidewalks to be outside the right-of-way. If a sidewalk is placed with the right-of-way, a maintenance agreement must be approved and signed between ITD and the responsible party. ITD will not maintain sidewalks.

Thank you,

Hi Wendy:

Thanks for speaking with me on the phone today. Please see attached original application from our

client and waiver narrative from us for this Garden City CUP. Inside the application file shows a site plan with the dimensions of the suite our client is leasing, indicating 25 feet of frontage for which the City of Garden City is seeking a sidewalk. The attached staff report actually concludes that only 7 feet of sidewalk is required as a proportional requirement.

If you could take a look and provide some comment on ITD sidewalk policy on Chinden, we would appreciate it.

Thank you,
Danielle
