Re: Idaho Wine Merchants, CUPFY2023-0006

Greetings,

Idaho Transportation Department (ITD) appreciates this opportunity to provide comments regarding Idaho Wine Merchant's proposal to expand warehouse/storage use from 5311 N Glenwood Street to 5307 N Glenwood Street, Garden City, Idaho. Please see the below comments:

1. This project abuts State Highway 44 (SH-44).
2. No direct access to the State Highway system has been requested with this application.
3. This request does not meet ITD's transportation threshold for a Transportation Impact Study.
4. Idaho Code 40-1910 does not allow advertising within the right-of-way of any State highway.
5. The Idaho Administrative Procedures Act (IDAPA) 39.03.60 governs advertising along the State highway system. The applicant may contact Justin Pond, Program Manager for ITD's Headquarters Right-of-Way Section at (208) 334-8832 for more information.

Sincerely,

Wendy I. Howell
