

December 1, 2022

TO: John Evans, Mayor

FROM: Kathy D. Foster

Your honor,

Please note attached letter stating my concerns regarding development in Garden City.

I am extremely concerned with the growing traffic problems and lack of policing the speeding and reckless drivers.

I urge you to address these problems and perhaps not allow multiple housing developments bordering a very busy street (Adams).

Respectfully yours,

Kathy D. Foster

4579 Adams St.
