Dear Bob:

In accordance with Garden City Ordinance 443, I am pleased to inform you that on November 12, 1986, the Garden City Council approved your request for re-zone of Lot 4 & Conditional Use of Lots 4 & 5, Block 22 of Fair-view Acres Subdivision No. 3, with the conditions sighted in City Ordinance 443, Article X, Section E, Item 16.

This office is prepared to allow a variance on the fence requirements, to read 8 feet, instead of 6 feet, upon written request from you.

I appreciate your patience and cooperation in this matter. Please be advised that you do need a building permit for your newly erected fence.

I will be glad to help you with your request for change of comprehensive plan. Thank you.

Sincerely,
