Good Morning,

Unfortunately if you were not able to put the sign up in time, we are going to have to bump your Planning & Zoning Hearing to October 21st, 2020. Your City Council Hearing will then be on November 9th, 2020.

If you are able to get your property posting up in time for your Design Review Hearing on September 21st, we can still keep you on that date. If not, then October 5th would be the next Design Review Meeting available.

Thank you,

Hanna Veal
