Pursuant to Garden City Code 8-6A-7, you are hereby provided notice of the following application:

- A. **SUBFY2022-0008**: Chandlers Place - Nicolette Womack with Kimely-Horn is requesting new construction of twelve Single-Family Townhomes and two 4-Plex buildings. The project is currently located at 401 E 52nd Street; Ada County Parcel #R7334160670 in the R-3 Medium Density Residential Zoning District.

This hammerhead truck turn around area appears that it should work fine for us as long as it meets the Fire Department specifications as well.

- B. **ZONFY2022-0002**: Francis Fallon with Brooklyn Park, LLC is requesting a rezone of a .65 acre property, 520, 522, 524, & 526 E 40th St; Ada County Parcel #R2734560180, located in R-3 Medium Density Residential zoning to C-2 General Commercial with the stated intent of developing a mix of Greenbelt focused Residential and Retail.

This looks like a beautiful complex. They have a trash room listed with no particulars. We would like to have the trash containers already outside in a safe staging area when we come for service for the safety of our drivers.

- C. **DSRFY2022-0019**: Chad Weltzin with Erstad Architects is requesting new construction of a Multi-Family Mixed Use structure project located at 4044 Adams Street; Ada County Parcel #R2734520741. The property is located in the R-3 Medium Density Residential Zoning District.

The Hammerhead turn around area appears to be workable for us. Will lane only be used for access by the fire department and the trash trucks?

- D. **DSRFY2022-0023**: Jorre Delgado with JD Planning & Consulting LLC is requesting new construction of a Residential Multi-Family structure located at 306 E 46th Street.; Ada County Parcel #R2734523571 located in the in the R-3 Medium Density Zoning District..

This hammerhead turn around will work fine for us if the roadway is a 20' drive lane.
