Subject: Hale Development Project Public Hearing this afternoon

Hi Jenah,

This is Eric Willadsen with the Idaho Sierra Club - we met back in the spring with Pam B. and Crystal Rain from Conservation Voters to talk about pathways along irrigation canals.

I'm not able to make it to the hearing this afternoon, but was hoping to comment on the Hale Development proposal for 72 townhomes near the Fred Meyer along Settlers Canal. I was hoping to comment on the need and community's desire for Settler's Canal to be open for public bike/ped. use along its bank, and to advocate for the developer to leave space for a public right-of-way at some point.

Is there some way to submit written comment? Or another public hearing at some point?

Thank you! Hope you had a good holiday season.

Eric
