Thank you for the opportunity to voice my concern about the Perch Meadow Development. My family lives in Lakeland Village. We are a community that already experiences substantial traffic from residents of four gated communities, a large apartment complex and a church. Perch Meadow's will have 24 homes and those homes should use Arney. I don't see any need for a vehicular and pedestrian connection to Ulmer. It is not a dead end street so there is no reason to extend to our HOA area. It would cause harm to the Lakeland Village community in terms of increased traffic, and also presumed trespassing on our common grounds, including lakes. Thank you again for taking the concerns of Lakeland Village residents seriously. Sincerely, Tami (Tremblay) & Jay Multanen
